PART-- I--Orders and Notifications by the Government of Tripura,
The High Court, Government Treasury etc.

Government of Tripura
Factories & Boilers Organisation
Labour Department

No. F.2 (365)-FB/EoDB(BRAP)/2024-Part(1)/1262-69

Dated, Agartala, the 21st Sept.2026.

NOTIFICATION

Sub: Acceptance of Self-Certification by Low-Risk Factories and submission of Inspection Reports by accredited Third-Party Inspectors for Medium-Risk Factories through the Central Inspection System (CIS)

WHEREAS, "EASE OF DOING BUSINESS" is a priority of the State Government of Tripura;

AND WHEREAS, there is a need for simplification of procedures for enabling factors, clearances under various statutes and rules;

AND WHEREAS, there is a scope for hassle free statutory clearances for creating a conducive environment for rapid industrialization;

AND WHEREAS, there is a need to facilitate electronic submission and acceptance of Self-Certification by eligible Low-Risk factories and submission of Inspection Reports by accredited Third-Party Inspectors for Medium-Risk factories through the Central Inspection System (CIS);

NOW THEREFORE in supersession of all previous notifications in this regards, the Governor is pleased to notify that Self-Certification by the Occupier / Owner of low-risk category factories registered under the Tripura Factories Rules, shall henceforth be accepted so far as contained in Schedule I, II & III annexed herewith, to be submitted once electronically in a year on or before 31st January and such self-certification shall be deemed as applicable compliance.

Factories employing less than or equal to 50 (fifty) workers and not classified elsewhere as notified in the context of risk categorization as high and medium risk, shall be categorized as Low Risk and shall follow a 15-month cycle. The Occupier of an eligible factory shall submit the prescribed Self-Certification electronically through the Portal/Central Inspection System (CIS).

The following factory shall be categorized as Medium Risk, namely, all factories employing more than 50 (fifty) workers but less than or equal to 200 (two hundred) workers and all factories covered under section 82 of the Occupational Safety, Health and Working Conditions Code, 2020 and Rules made thereunder, employing less than or equal to 200 (two hundred) workers.

The frequency of inspection for Medium-Risk factories shall be once in every 12 (twelve) months. The Inspection Report shall be submitted electronically by the accredited Third-Party Inspector through the Portal/Central Inspection System (CIS) within 48 (forty-eight) hours of completion of the inspection.

The Occupier shall be responsible for ensuring that the information furnished in the Self-Certification is true and correct and that all applicable statutory requirements are duly complied with. The accredited Third-Party Inspector shall be responsible for ensuring that the Inspection Report submitted through the CIS is true and correct and based on the inspection conducted in accordance with the prescribed inspection parameters.

Submission of Self-Certification or Inspection Report by the accredited Third-Party Inspector shall not preclude the Department from undertaking verification or inspection of the factory, wherever considered necessary under the applicable law and lodge complaint against the defaulter as per the provisions of the Occupational Safety, Health and Working Conditions Code, 2020.

Surprise inspections or inspections based on complaints may be undertaken, wherever necessary, and such inspections shall be duly recorded in the CIS. The risk category of an establishment may be reviewed or revised by the Competent Authority on the basis of any material change affecting its composite risk profile.

This shall come into force from the date of its publication in the Official Gazette.

By order of the Governor,

Under Secretary to the
Government of Tripura
